#### Living in Freedom

Expansive spaces create a seamless extension of everyday living, opening up boundless views and a greater sense of freedom. They also inspire richer moments of sharing, where joy and memorable experiences come together.

#### Agile Handling

Positioned between the characteristics of monohull and catamaran designs, the compact twin-hull configuration reduces draft and enhances overall performance while delivering greater maneuverability than conventional catamarans. Combined with its shallow draft, the compact hull form allows effortless access to shallow waters and enables easy berthing in smaller marinas and docks.

#### 舒活空間 -

寬敞空間呈現生活場域的恣意延伸及視野的無界舒展，亦代表更豐盛的分享與喜悅輝映。

#### 敏捷駕馭 -

跨界於雙體與單體船型的定位下的緊湊雙體船殼配置，不僅減少吃水提升性能表現，更保有別於一般雙體較佳的轉向敏捷度，其緊湊雙體船身搭配淺吃水，能輕鬆進出並停泊於小型碼頭。
